Religious Education Registration needed ASAP!

Good news we got word from the Archdiocese of Santa Fe and we are now allowed to resume in person classes for the up coming year. All the classes will have to follow the New Mexico public health order. A teacher meeting was held and we have come up with a couple options for our Families.

First off it will not be mandatory for any child to attend any Religious Education classes if parents feel uncomfortable in any way. We will take the health and safety of every one very seriously.

1st option is religious ed from home
Our second and preferred option is to meet in person every week!

We believe we can make this happen with all the social distancing rules considering the amount of space we have in both our buildings and the church if necessary. However we cannot say for sure until we have better number as far as our registration. If we have the same amount of students as last year we will possibly meet every other week to keep the numbers where they need to be.

This is why it is very important that you register your children as soon as possible.

We want to start class by Monday September 14th in Chilili and Wednesday September 16th at Holy Child, As we are all aware things seem to change weekly and we will continue to see what happens in the coming weeks but this is our plan as of now.

Like always, please feel free to call, text, or email me with any questions or concerns.
God Bless you all!

Sharing the Gospel

Jesus met a woman who had amazing faith. She was brave. She was loud. She did not care what anybody else thought. Jesus was the Savior, and she knew he could heal her daughter. Jesus can help you with any problem you have, too. Be brave. Keep asking Jesus for help. God is strong. He can do anything.

Prayer

Jesus, help me to be brave. I know you can do anything.
