**DID YOU KNOW?**

The Ascension is the completion of the Easter mysteries of Jesus' life, passion, death and resurrection, and it is the final step before the coming of the Holy Spirit at Pentecost. As the Catechism of the Catholic Church states: "Jesus' final apparition ends with the irreversible entry of his humanity into divine glory, symbolized by the cloud and by heaven, where he is seated from that time forward at God's right hand" (No. 659).

The Feast of the Ascension marks the beginning of the first novena or nine days of prayer. Before His Ascension, Christ promised to send the Holy Spirit to His apostles. Their prayer for the coming of the Holy Spirit, which began on Ascension Thursday, ended with the descent of the Holy Spirit on Pentecost Sunday, ten days later.

**May 16, 2021  
7th Sunday of Easter**

God remains where love remains. When a believer realizes without doubt that God is love, it is a powerful moment. Being able to place our resurrection trust in this fundamental truth allows us to experience God's presence in all of our experiences: the good and the bad, positive and negative, life enriching and destructive events we encounter. It is no wonder that St. Paul so accurately tells us that it is love that endures all things and lasts. How can God not endure or ever fade away? Because he is God, Jesus also guarded and protected his disciples as the endearing shepherd who always had their best interest at heart.

If we become too immersed in the world, we lose touch with these deeper realities. We can become so preoccupied with preserving what we have created or think that we need, forgetting that it is not building our city that really matters, but God's. Jesus clearly did not belong to the world and, by virtue of his resurrection, he tries to get us to understand that we do not either. The truth brings us to other worldly, more divine places and takes our eyes off of the concerns that often captivate our fears and storm our senses.

Life can easily erode our faith. Think of your life over the last couple of weeks. What challenged your faith and distracted your divine glance? Even being overly stimulated with technology and social media can erode our sense of confidence and cause us to forget who we really are. We need to distance ourselves from the world in order to experience the joy that Christ offers. The world will never like the word of God. It is too challenging and too perplexing. The world mistakenly believes that it can survive on its own. It is a mistaken judgment that may cost people a lot in the end. It is all so very simple: God remains when we love one another. If in all the business of our lives and all that each day brings, the good and the bad, we follow the call and path of love, we will walk with God. There is nothing to fear and anxiety finds no home.

## Sharing the Gospel

Every day when you are in school, your teachers help you learn. You get better at following directions. You get better at listening. You get better at remembering what you learned. Over the school year, your teacher gets you ready for the next grade. In today's Gospel, Jesus prayed for his friends. Jesus spent the last three years teaching his friends how to follow God and how to love others. His time to teach was almost over. Jesus prayed that his friends would stay close to God. Jesus asked God to protect them as they shared his teachings with the whole world.

## Prayer

God, help me to learn all that I can from Jesus and my teachers.

## Something to Draw

Draw a picture of someone who teaches you about Jesus.

## Mission for the Week

Make a card for each of your teachers. Color a picture on the cover. Write a nice message on the inside. Thank your teachers for helping you learn, and sign your name. Then deliver your cards with a smile.

## ***A Prayer for Graduates***

Loving God, we thank you for all who graduate from grade school, high school and college this time of the year. You have blessed them during their years in school with wisdom, friendships, and skills. You continue to challenge them to make this world a better place because of their education.

Help them to look forward to their next steps: continuing in their education or entering the work world. Particularly help those who are seeking employment to find a job suitable to their education.

Give them faith and a sense of purpose  
in their next steps.

Show them how to serve others in effective ways.

And may they be always be aware in everything they do that they will find fulfillment in doing your will, that you will be with them always, and that you will bring to completion the good work you have begun in them.

Amen.
